

FAMILY PRACTICE CENTER  
ATLANTA

## **Telemedicine Visit Information**

Please be sure that you have registered on the portal prior to your appointment.

<https://app.evisit.com/ng/#/login/family-practice-center-pc>

Our billing office will verify benefits surrounding a telemedicine visit for you. We will call you prior to your appointment to obtain payment for your visit.

- If you would like to pay for this as a self pay option and not go thru your insurance, we can do that at a self pay rate of \$150 per visit.
- You must give us 1 business day notice for cancellation or you will be charged a \$35 late cancellation/No Show Fee and any fees that have been pre-paid will not be refunded.
- Family Practice Center requires that you come in the office once per year to see the provider in person.
- If you are receiving a schedule 2 drug that cannot be e-prescribed (ADHD medication) we will place a prescription in the mail to you. Our electronic medical record does not allow us to e-prescribe at this time.

There is an app available for Apple Products and Android products. You will need to download this app, or have access to a computer with a microphone and a camera available.
